

About OneHope

OneHope is a global nonprofit organization committed to reaching every child and youth in every generation with Jesus and His Word. We believe the life-changing narrative of the Good News brings hope and has the power to affect destinies. We create research-based, contextualized Scripture engagement programs and work alongside the global Church to share them with young people. Through OneHope's diverse partnerships, more than 2 billion children have received God's Word since 1987.
